insiders guide to oklahoma city is the essential source for in depth travel and relocation information to oklahoma s captial city written by a local and true insider it offers a personal and practical perspective of oklahoma city and its surrounding environs

three far reaching global trends terrorism pluralism and globalization have irrevocably altered how we live think and communicate in the twenty first century we now live in a glocal world what happens globally impacts us locally and what happens locally impacts things globally these changes have profound implications for followers of jesus rick love offers biblical wisdom and practical insights on how to navigate the complexities of communication in this interconnected world he also invites you to an inward journey that helps you better discern how the things of the heart relate to the work of the ministry glocal following jesus in the 21st century is a call to be a faithful follower of and a winsome witness for jesus love will help you better embody and communicate a core message worth dying for an integrated identity worthy living for and a global dream worth suffering for

while the house church movement is gaining immense popularity throughout many denominational and independent faith communities collectively standing as the largest denomination in the united states sacramental and liturgical congregations are taking only the most tentative steps toward this venue of worship consequently there exists a vacuum of guidelines or information to support this dynamic ministry model from a uniquely sacramental perspective in this book dr andraeas examines the scriptural foundations for liturgical worship the biblical theological and historical precedents for house churches and how a union between priestly liturgy and house church worship complement and support each other he concludes with a vigorous challenge for all sacramental and liturgical jurisdictions to engage their seminarians clergy and people in embracing this approach to church planting evangelism and community ministry while offering

thoughtful and obtainable recommendations

the global burden of geriatric hip fractures is enormous from both the patient's and physician's perspective the injury is complex a hip fracture often changes a patient's life and or the life of the patient's family permanently from the physician's perspective care of geriatric hip fracture patients requires a multidisciplinary team which is led by the surgeon and which includes internists and other subspecialists within internal medicine anesthesiologists nurses operating room technicians social workers physical therapists and rehabilitation center coordinators and staff nowhere in the orthopedic literature is there a text that guides care for these complex patients from injury through recovery this text is the first to do so by organizing and synthesizing a large body of literature its main themes include pre operative operative and post operative care of the patient who sustains a geriatric hip fracture its main objective is to organize the current body of literature into a cohesive whole so that the busy orthopedic surgeon does not have to undertake a literature search each time he or she wants an answer to the myriad questions that characterize a patient's injury treatment and recovery course with regard to pedagogy because orthopedic surgeons in training will utilize this book and because the case study is the central pedagogical tool in the field of orthopedic surgery this book includes case studies within each chapter with the author's preferred treatment and decision making rationale for each case selected video supplements reinforce real world application of knowledge practicing orthopedic surgeons as well as orthopedic residents and fellows in training will find geriatric hip fractures a practical approach a highly useful and informative resource
